☐ Continuation Sheet Attached

Brief Description of Arguments to be Presented:

Claim 1 recites contemporaneously collecting information with the initiation of a function. The office appears to read the claim as contemporaneously analyzing security information with the initiation of a function. Clarification of this reading vis-à-vis the prior art and suggestions for amendment will be discussed.

An interview was conducted on the above-identified application on _____

NOTE:

This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP §713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
